

## Beauty Skin Care Products from Around the Globe

We evaluate a wide array of beauty skin care products. We use only those brands and formulations that have proven to be safe and effective. These beauty skin care product lines are available at our Home Beauty Spa:

### **GUINOT**

From the heart of Paris, Guinot brings a sophistication and elegance to skin care that can only be found in the highest quality products. Long a staple in many of the top beauty salons and spas around the world, including its own, Guinot skin care products are known for their nourishing, reparative benefits available for all skin conditions, types and ages. Founded in 1963, Guinot has risen to be one of the leading beauty brands worldwide due to its insistence of quality and innovation. Guinot gives you only the best for skin that truly is beautiful.

### **ENVIRON**

Often our skin starts to show the beginning stages of aging when we are still in our 20's, because it is at this point that collagen and hyaluronic acid production begin to decrease. Environ® Skin Care is only sold to medical spas and is available to both men and women seeking to boost their skin health. This company uses formulas that are based on "nourishing the skin with essential vitamins as well as other nutrients".

These skin care products are all free from fragrance, preservatives, colorants and animal extracts, as well as being hypoallergenic and non-comedogenic.

### **OBAGI**

Obagi's extensive line of clinically-proven skin care systems. Ideal for aging skin as well as those with acne and rosacea, their solutions are specially formulated to prevent the signs of aging at the cellular level to reveal flawless, healthy skin, treat the signs of and symptoms of rosacea and rid the skin of redness and target the root of acne to clear skin fast and help maintain a clear and healthy complexion for a lifetime.
