Microneedling ; amazing results!!!

This latest innovation in aesthetic medicine treats the appearance of fine lines, acne scars, hyperpigmentation and improves skin's overall appearance. During the treatment, tiny needles are used to create controlled micro-injuries to the skin in order to produce collagen and elastin. The skin's repair process results in improvement of the appearance of wrinkles for younger looking skin. 30-45 minutes

Lash lift that last for weeks + tint

Sumptuous lash lift that lifts your natural lashes to create volume, length and definition. A lash lift is an advancement on the old fashioned “lash perm”. New specially created silicone pads lift the lashes from the root only, creating a subtle, natural looking lift, giving the illusion of length, making the eyes appear more open. Suitable for short and long lashes and Last approx 6 to 8 weeks
