

PLASMA FIBROBLAST REVOLUTIONARY TREATMENT NON-SURGICAL FACE LIFT AMAZING RESULTS

HOW IT WORKS:

The precision device utilizes the voltage in the air between it's tip and the skin, to form a plasma charge. An electrical arc is created and instantly shrinks the targeted skin. This micro-trauma stimulates new collagen and the tissue retracts and tightens.

GREAT FOR:

- Crows Feet
- Hooded Eyes
- Sagging Jowls
- Turkey Neck
- Fine lines and wrinkles
- Scars
- Mummy Tummy
